

A portrait of Johann Jakob Scheuchzer, a Swiss naturalist and scholar. He is depicted from the chest up, wearing a red academic or clerical robe over a white shirt with a high collar. He has long, dark, curly hair. His right hand is raised in a gesture, with the index finger pointing upwards. In the bottom left corner, a book is partially visible with the text "JOH. JACOBUS SCHEUCHZER" and "Physic. Math. Prof. Coll. Carol. Caron". In the bottom center, there is a small, light-colored, shell-like object. In the bottom right, there is a blue, spiky plant-like object. The background is dark and indistinct.
